6) The officers should read the rules
 does not allow anything more to be paid.
 A relaxation of rules of a Fund like
 that of the Insurance Fund will lead
 to a host of applications with less basis
 for consideration being received.
 The case may be a fair one but
 the Govt. do not do it. I see
 no reason to give anything more than
 what the rules allow, which has already
 been done. I must reject the app.

DEWAN'S OFFICE.

Date of Receipt 23.10.13
of Mysore State Council, Bangalore,
No. 2600

Most honored Sir,

I, V. P. Vittal Row, Retired Cash Accountant
District The Army, Shimoga & holder of Mysore State Life
Insurance Policy holder of No 905 & 1984 most respectfully
fully beg to state that I entered the Mysore Service in 1890
as Revenue Booth Record Keeper at Rs 20. About 5 or 6 years
after I settled in Shimoga, the h. l. and climate began to
affect our constitution and impaired our health. Myself
and all the members of my family frequently fell ill
frequently and we were obliged to leave the place frequently
on long leaves without pay. Thus I lost all my
prospects & chances of promotion. My health & family
a prey to the h. l. and fever. In 1911 I was attacked
by paralysis which rendered me quite powerless
& incapable for work so I took long leaves on loss of pay
& lost the promise. As I lost all hopes of recovery again
retiring to duty I applied for retirement on pension
and the Govt. were pleased to be kind enough to grant
me an invalid pension of Rs 75 a month. I am too
poor I have no property of any kind; further I am not
in service & also my pension too small to enable me
to continue to, my family so I was obliged to dis-
continue to pay premium and I requested the Dy
Commissioner of Shimoga to have my life
amount paid to me. I was directed by the Dy Commissioner
to ask the Secretary to the Mysore State Life Insurance
& Finance Committee, regarding the payment of the
insurance amount. In his No 911, the Secretary intimated
23.10.13 me that 60 sixty per cent. of the premium paid
is refundable to me as succeeded value and again
in his No 1559, he has intimated that I may apply
19.11.14 and receive Rs 202-12-11 due to me subject to
deduction on account of Govt. dues. I submitted
on the 4th February 1914

through the life of my dear Secretary my application for
 to your Excellency. The Secretary returned it with his No. $\frac{2045}{25-2-914}$
 taking that ^{to} cannot undertake to forward my petition. As already
 represented above I am very poor without any means of support
 have no other kinds of income except the small monthly pension I now
 get. To work & earn I am very weak & disabled for doing any
 work as I cannot stand & walk. I am obliged to sit fix-
 in place & crawl. My difficulties in every way is beyond descrip-
 tion. I humbly pray your Excellency to take in to kind considera-
 my deplorable condition, hear my humble prayer and to kindly
 grant it. The premium paid by me, roughly calculated comes to nearly
 400 Rs or so. The amount refundable as surrender value at 60 P.C.
 may come to Rs 240 as per rough calculation. The amount referred to
 in Secretary's No. $\frac{1559}{19-1-14}$ is Rs 202 & odd. My prayer is that the difference
 of Rs 38 may be caused to be paid to me; any account there to Govt
 may be met or defrayed or deducted from the account that comes to the
 Govt at 40 P.C. after paying me at 60 P.C. I request
 your Excellency to place ^{my deplorable} condition for the consideration of His
 Highness & Obvious Royal Satisfaction for the payment as prayed
 for by me. By this kind mercy & concession I would be
 greatly benefited. I may insist this account viz Rs 240 or some
 raised & manage with my small pension. In conclusion, most
 interested with my small pension. I in conclusion,
 humbly pray that the amount due to Govt may be written off
 or defrayed as a grace just in the same way, the Govt should
 money in writing off its accounts, the amount of small
 same allowance debited to her in their Budgets $\frac{4862-5}{52A 234-12-26}$
 dated 27-2-913. Begging to be excused for approaching your
 Excellency's presence & giving trouble with this my humble prayer for
 mercy. I remain your Excellency's humble servant-

Excellency the Dairman
to His Highness the Maharaja of Mysore, in Council,
Bangalore

Through the Hon^{ble} the Mysore State Life Insurance
Committee, Bangalore.

Most honored Sir,

I, V. P. Vittal Rao, Retired Cash Accountant,
Shimoga District Treasury and holder of Policy nos 905 & 1984.
most respectfully beg to bring the following grievances and
humbly pray redress.

I entered Mysore service as Asst Record Keeper
in 1890 on Rs 20. After a stay of over five years the effects of
malarial climate began to affect our Constitution. Myself
and all the members of my family began to fall ill of malarial
fever and I was obliged to take long leave with & without pay
very often and to rise to station. By this I suffered seriously
in every way more especially financially. My mother &
aunt fell a prey to the fever from which they suffered through
out very much. My frequent absence on long leave blocked
my prospects & I lost all chances of promotion. Finally
in May '91 I left the place myself attacked by paralysis
with my wife & son on leave on loss of pay. As I lost all
hopes & chances of recovery & returning to duty I in Jan^y 1912
applied to the Dy Commissioner of Shimoga to be retired on account
of my incapacity for work owing to bodily infirmity caused by
the paralytic attack, before completing full service for pen-
sion. Out of about 22 yrs of service about 7 years of service
are to be deducted as I was on leave with & without pay during
the period, and only 15 yrs were recognised as service &
eligible for pension, and the Govt were pleased to grant me an
invalided pension of Rs 7-8-0 a month. I am not rich &
I have no lands, house or any other kind of property earned
by me or by my forefathers. Further I am now rendered
quite incapable for any kind of work & earn my livelihood
and I with my wife & son, who are now suffering
from spleen & sit fever frequently, entirely depend on my
small pension of Rs 7-8-0 kindly sanctioned by the Govt.

and I am obliged to receive the premium
paid by me at surrender value at 60 per cent
as per Secretary's No. 1559 ^{19.1.14}. As I have no proper
whateer except my small pension, I must
invest my insurance amount on some la-
specially and receive interest in kind and
well on with this kind of limited income. By
roughly calculating the amount of premium collected
from me from the date of insurance to date of
retirement may be between Rs 400 or 500. The
amount payable to me at surrender value
@ 60 p.c. may be 240 or 300 Rs. I humbly
pray your gracious excellency to take my
deplorable & deplorable as well as helpless con-
dition and kindly sanction the payment of
the insurance amount due to me at 60
without deducting the Govt dues from the
amount payable to me but to defray or dedu-
ct the amount due to Govt. by deducting it
from the amount that may fall to the
share of the Govt. at 40 per cent as a speci-
case & favour & concession, as I am quite
poor & helpless & quite unable to move
to any where & earn in any way.
My son is also very weak suffering from
& frequent fever. He is also rendered very
weak & incapable for hard work. I am
too poor to educate him further. He studied
as far as the 3rd form. Over frequent illness
& departure from the station also affected
his education. The benign Govt. of H. H. The
Maharaja were pleased to write off my humble representation
account about Rs 134.4 odd being the leave
allowance wrongly disbursed to him and order
of the Comptroller to be recovered from him. I now
humbly pray to permit me mightily & of-
ficially the last prayer and similar
to Govt. dues from the amount falling to the
share of Govt. Begging to excuse for the trouble
given by me I remain your Excellency's humble
